VOLUME NUMBER 90 | CAMERON, MILAM COUNTY, TEXAS, THURSDAY, NOVEMBER 24, 1949 | NUMBER 32

AGED COUPLE PERISH IN FIRE HERE

MILK BOWL GAME DATE IS NOW DECEMBER 10

GAUSE PEE WEES MEET SAN SABA DECEMBER 10

Cameron will get a bowl game this year.

It will be the first of its kind ever held in Texas for it pits the Pee Wees against each other and it will be Gause against San Saba on the afternoon of December 10 at Yoemen Stadium.

The game is being sponsored by the Cameron Chamber of Commerce.

Joe Moore of Gause, former outfielder for the New York Giants, and L. G. Smith of the Cameron Chamber of Commerce, will be in San Saba Friday to consult with Leon Hale, coach of the Pee Wee team there and to arrange all the details for the bowl game in Cameron.

It will be the Milk Bowl and the funds will go equally to each of the schools to be used for milk in their lunch programs.

Mr. Smith said that the Chamber has plans to organize Milam county schools for Pee Wee teams and the bowl game in Cameron is to be annual. The winning team in the county will meet an outside opponent in the annual bowl here.

Complete co-operation was being had from Superintnedent W. T. Hanes and Cameron School authorities for use of the field and facilities for the Milk Bowl Game here on December 16, it was said by Mr. Smith.

Joe Moore of Gause is general chairman for the bowl game and Ralph Widman, commentator for the Radio Station WFAA in Dallas is co-chairman. Widman has gone all out in his air programs boosting the Gause team, organized some weeks ago from little boys under 100 pounds.

Leaders among youth movements see in this program something that can fit into any school. There are many schools that does not have an athletic program .

Boys who play on the Pee Wee teams must weigh under 100 pounds. The Gause team has created state wide attention in its schedule of taking on all comers and is way out front in the win column.

Citizens of Gause organized the team and Dixie Walker, old time Texas League baseball player, has been the financial sponsor for the team. Their equipment is the best money can buy and the Gause team will be the host team in the first bowl game for Pee Wees in the history of football.

TIME IS RUNNING OUT RUSSIANS ARE TOLD

Great Britain warned Soviet Russia that "time is running out," for an understanding that will guarantee the world against another war.

The dramatic appeal was made by British Minister of State Hector McNeill, in a debate before the United Nations now in session at Lake Success, New York.

The Britisher charged that Russia is "murdering peace," and that the danger of accidental war will never be absent unless Russia lifts the Iron Curtain. He said that the Western Powers may have to cut relations with Russia "to a minimum."

The Soviet Foreign Minister, Vishinsky, made a mild reply and went so far as to say that the East and West can find a way to co-operate. The Russian leader launched an attack on the United States as usual and charged that this country had needlessly bombed civilians at Hiroshima and that this country is in league with "renegade," Tito in Yugoslavia.

The set to in the assembly led many observers to believe that Western powers are moving rapidly to a show down with Russia.

Mr. and Mrs. Conrad Jekel, Jr. announce the arrival of a seven pound eight ounce son born at Newton Memorial Hospital Friday, November 11, 1949. The baby has been named, Dwight Alan.

Herbert Madeley visited his daughter, Patsy in Temple Sunday.

MILL WORKER IS BADLY HURT

VIRGIL BRUMETT MAY LOSE HIS RIGHT FOOT

Virgil Brumett, 35 year old resident of Ben Arnold and employee at the Cameron Cotton Oil Company was critically injured early Tuesday in an accident at the mill.

Brumett suffered a badly mangled right foot. He was taken to St. Edwards Hospital and to surgery where doctors spent considerable time trying to save the limb. Information indicated that the doctors may be able to save the man's foot.

Mr. Brumett had been employed by the mill for several weeks. It was said that he had stepped into a seed conveyor while unloading seed with the result that his right foot, caught in the machinery was badly crushed and lascerated.

A Marek-Burns ambulance was sent to the mill and Brumett was taken to the hospital. At the time of this report he was out of surgery and several days may be required to determine the extent of his injury or whether it will be necessary to amputate his foot.

Mr. Brumett has a wife and one child and the family lives at Ben Arnold.

Womack Brashear Resigns Justice Of Peace Office Here

Womack Brashear, Justice of Peace for a long period of time here, has resigned because of ill health.

Justice Brashear is at his home here recuperating from a heart attack suffered recently.

The Commissioners Court has appointed Thomas E. Brashear, son of the resigned Justice of Peace. The appointment was made at a meeting of the court Monday, it was announced by Judge Dan Tyson.

Mr. Brashear had served in the office for about 12 years.

Poage In Line For Farm Chairmanship

WASHINGTON, Nov. 16 — Announcement by Representative Page, Democrat of Georgia, that he will not seek re-election next year puts a Texan, Representative W. R. Poage, Democrat of Waco, in line for vice chairman of the House Agriculture Committee.

Poage entered Congress on the same day as Page, Jan. 3, 1937, but the latter outranked him on the agriculture committee and is now next to Chairman Cooley, Democrat of North Carolina.

Elevation of the Texas Congressman to the committee vice chairmanship would depend, of course, on his own re-election next year and continued Democratic control of the House.

Couple Have Narrow Escape When Home Burns Here Sunday

Mr. and Mrs. Lonnie Seaton narrowly escaped death Sunday afternoon when their home on West 6th Street was destroyed by fire.

Mr. Seaton, asleep at the time of the blaze, was badly burned as he sought to put out the fire shortly after being awakened by the blaze. Both were taken to ....ewton Memorial Hospital where they were treated for the burns, and later released.

The fire originated in the front room of the house and quickly spread. The fire gained headway before firemen could be summoned. The home was the porperty of R. B. Rylander. The home and all furnishings were destroyed.

Mr. and Mrs. Seaton were taken to the hospital by Jim McGoldrick, city marshal.

Mrs. Pete Bergham of Burlington shopped in Cameron Friday.

COLEMAN COOPER
Director of the Apollo Boys Choir

Apollo Boys Choir Civic Music Program Presentation Here Sunday, December 4

Milam County Civic Music Association will present the Apollo Boys' Choir which will appear at the Yoe High School Auditorium here on December 4, at 3:00 p. m. The Choir was organized by its director, Coleman Cooper in 1935. It is an American version of the Vienna Boys' Choir which won world fame before the war. In this country the Apollo Choir is a somewhat pioneer group and was the only one prepared to replace the renowned European Choir when its activities were halted by the war. A non-sectarian, non-profit ensemble of singing boys who travel far and wide giving concerts of serious music is not a usual phase of American life.

The Choir members range in age from 9 to 14 years and are all boys of superior intelligance. On tour, their diets and living habits are as closely watched as those of Olympic athletes during games.

Besides a broad program of activities centered around the school in Dallas, a summer camp with a befitting schedule of music and recreation is maintained in the mountains. Extended concert tours are made each fall and spring.

The Apollo Boys' Choir has no financialresources except its concert proceeds and unsolicited gifts from friends who recognize the value of music as a builder of character. Boys who held scholarships while members of the Apollo Choir have later been awarded honors in their respective Colleges and Universities.

Those who are members of Civic Music Assocaition are cordially invited to attend the concert.

CIVIL APPEALS COURT REVERSES LOCAL COURT

AUSTIN, Nov. 16—The third court of civil appeals today reversed a $23,262 judgment rendered by the Milam county district court in a damage suit over an oil and gas lease.

Lessors in the lease—R. L. Batte, Jr., et al—sued the lessees—Robert L. Wheelock, Jr., et al—for cancelation of the lease as a cloud on their title and for damages.

The suit involved 930.5 acres out of the J. F. Frazier survey in Milam county, which was leased for $5,000 on March 13, 1947. On March 13, 1948, the first anniversary of the lease, there was considerable oil activity in the vicinity of the lease, and the acreage was worth $25 an acre, or a total of $18,000 above its cost.

Ensuing circumstances over whether bona fide drilling was commenced before expiration of the lease, and disagreement over when the lease actually expired, formed the basis for the suit.

Mrs. Lelia Lee Batte Hickman, Batte's sister, joined him in the suit.

A SUCCESS STORY

The Jones Boys Move Ahead; Rex Is Now Taxicab Tycoon in Big Corpus Christi

Yes, it's the Jones Boys again, the old Jones Prairie Jones boys and this time it is Rex B., who has become a taxicab tycoon in big, busy Corpus Christi, to make one of the best success stories written about a country boy in a long time.

Rex, well known here, is a brother of Bailey Jones of Cameron and son of the late Mr. and Mrs. Dick Jones, pioneers for whom Jones Prairie was named. Here is a story from the Corpus Christi Times written by George Groh:

Rex B. Jones almost backed into the taxicab business.

Competitors tried to force jones out of business eight years ago, when he had a one-man one-cab outfit here. He organized a company in self defense; wound up parlaying a $500 investment into $150,000 worth of rolling stock now on Blue and White Cab Co. books.

The success story brings in the traditional note. A farmer's son, Jones left home at 18 to join the now defunct Civilian Conservation Corps and came here a year later to work as deck hand on that legendary pleasure boat, the Japonica.

That job came easy because his brother owned the boat. Five months later his brother sold out, Jones left the Japonica too, and went as bellhop to the White Plaza Hotel.

At the Plaza he met and married a hotel waitress, Doris Allyne Luker. At the Plaza, too, he discovered that a man can't make much out of suitcase transportation, and five years later he quit to buy his own cab.

As a one man cab company, working out of Yellow Cab stands, Jones drove a 12 hour day and did well enough for a year. Then the city passed an ordinance outlawing the independent cab operators and he joined with four other lone wolf cabbies to form Blue and White.

The flag was up for Rex Jones for the next eight years. The company bought up Happy's Beach Taxi in 1944; Jones bought out his partners in 1946, and last year he acquired Checker Cab Co., which he still maintains as a seperate firm. At 36, Jones now owns 53 cabs with a book value of $150,000, though he doubts if they would bring that on the car market now.

The book value was more a few years ago, but the on-the-street value was less. Like many another businesses, Jones applied make-do methods to makeshift equipment during the war, and frequently had a dozen cabs or more jacked up because he had no tires. Then, when he got tires, he had to jack them up again because transmissions were shot.

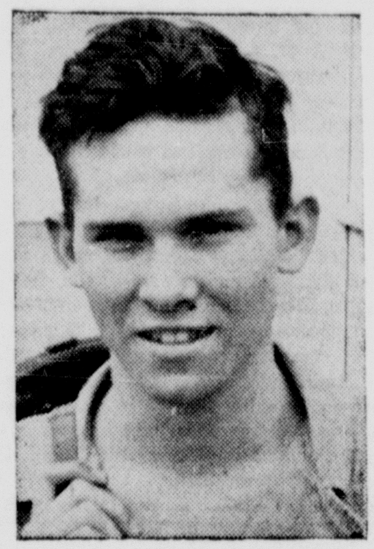
These problems behind, Jones has more time now for his two daughters, occasional hunting and fishing jaunts and casual lodge interest in the Eagles. His principal interest in the years ahead, however, is to extend the activities of the years behind. He wants to make more money, to buy more cabs, to make more money.

New Ford for 1950 Brings Many To Show Rooms Here

The new Ford for 1950, on display to-day at the Hefley-Stedman Motor Company, was creating a vast interest among prospective buyers and the public generally.

Showing of the newmodel Ford is always an event along automobile row.

The new Ford for 1950 incorporates many features and improvements over the previous model. Officials at the motor company here were pleased at the response to the announcement that the new cars are here.



SGT. GILBERT L. HUGHES

Sgt. Gilbert L. Hughes Killed In Action On October 20, 1944

Sgt. Gilbert L. Hughes of Cameron was killed in action near Germeter, Germany, on October 20, 1944, it has just been disclosed in a letter from Maj. Edward F. Witsell, Adjutant General of the Army.

The letter was written on November 7 and received here by Mrs. William H. Hughes at 608 Austin Avenue.

For a long time the death of Sgt. Hughes, winner of the Silver Star, was not officially established, although, it was known he had been killed in action. In the letter to Mrs. Hughes the army disclosed that it has finally located an eye witness to the death of Sgt. Hughes.
out to almost all of the survivors of Company K, 60th Infantry, requesting information concerning his fate.

In part the letter is as follows:

"The record concerning your son shows that on 11 October 1944, the platoon of which he was a member, attacked strong enemy positions in the vicinity of Germeter, Germany, and, after suffering heavy losses, was forced to withdraw. In its new position, the platoon was seperated from the remainder of the company. On 20 October, when the platoon was reorganized and checked, your son was reported missing. During an extensive investigation made in the case of your son, inquiries were sent

"In answer to the inquiries, one of the members of your son's company, stated that he was an eye witness to his death. He further stated that he was in a fox hole approximately twenty-five yards from your son, who was hit and killed from a burst of artillery fire. In view of the above, the records of the Department of the Army are being amended to show that Sergeant Hughes was killed in action on 20 October 1944, in the vicinity of Germeter, Germany"

The army has been unable to locate the body of Sgt. Hughes and it is presumed here the exact spot where he met his death cannot now be ascertained and he may have been buried as the artillery shell burst near him.

ROSEBUD-LAMPASAS GAME WEDNESDAY

(From the Daily)

Lampasas' Badgers and the Rosebud Panthers will tangle at Woodson field Wednesday night in their bi-district battle, it was decided yesterday at a four-hour meeting of school officials.

The officials met at the Temple Chamber of Commerce office at 10 a. m. Saturday and at that time the Chamber of Commerce park and recreation committee offered the two schools the use of the Temple field either Wednesday or Saturday night for the game.

Coach Ted Dawson of the Wildcats explained that Temple couldn't allow

WIFE LOSES LIFE IN ATTEMPT AT RESCUE

Mr. and Mrs. J. A. McDonald were burned to death around 11:30 a. m. Saturday, November 19 when their home at 506 West Sixth Street, was destroyed by fire.

Mrs. McDonald lost her life in a vain effort to rescue her husband after she had gone to the home of a neighbor to report the fire. Mr. Mcdonald was blind and 84 years old. Mrs. McDonlad was 68.

The residence owned by Mr. and Mrs. A. J. Matocha was a two apartment home, was occupied by Mr. and Mrs. McDonald and Grady Clifton, the latter being away at work at the time of the fire.

Neighbors reported having heard an explosion. Mrs. McDonald was not in the house at the time the fire started. When she discovered her home was on fire she ran to the Matocha home to give the alarm and then went back to the blazing house and entered it to attempt a rescue of her blind and aged husband.

The small dwelling was quickly enveloped in flames. Mrs. McDonald was trapped. As reconstructed by firemen who were at the blaze quickly, Mrs. McDonald is believed to have gone to the room where her aged husband was seated in a chair or was unable to reach him. Her body was found near the doorway in another room. It is believed she found she could not save her husband and tried to save her own life but could get no further than the near the door where the flames snuffed out her life. The bodies of the aged couple were badly charred by the blaze.

A new emphasis was being placed on fire alarms here Monday by members of the Department, led by Chief Ralph Michalka. They cite instances where alarms are not turned in immediately and in some cases flames spread so rapidly that firemen are often handicapped when they arrive. It is pointed out that in the case of the death of Mr. and Mrs. McDonald that the alarm may have been turned in quickly but the nature of the structure plus the cause of the fire combined to make a quick destruction of the building.

The fire that destroyed the McDonald home and took two lives also damaged other residences. The homes of Odis McDonald, no relation of the aged couple; the home of Miss Susan Pope; the home of former Mayor Chas. C. Smith and the residence of Frank Richter, Jr., were all damaged, principally the roofs. Firemen working rapidly prevented spread of the fire. The McDonald home was consumed within a very few minutes.

Mr. and Mrs. McDonald had lived in this home on West 6th Street for the past four years. They moved to Cameron from Minerva where Mr. McDonald was engaged in farming before he lost his eyesight. In addition to this infirmity, Mr. McDonald was deaf.

Funeral services for the aged couple were held from the Funeral home of Phillips & Luckey in Rockdale at 3:30 p. m. Sunday, November 20 with interment in the Odd Fellows Cemetery.

Surviving are two sons, Bryan McDonald of Minerva and Marvin McDonald of Cameron; two daughters, Mrs. Jesse Burgess of Rockdale and Mrs. Fred Lance of Houston.

MRS. JOHN T. GAMBILL DIED IN CITY SUNDAY

Mrs. John T. Gambill, 85, pioneer resident, died at her home on East 23rd street at 8:30 a. m. Sunday, November 20.

Mrs. Gambill had been in feeble health for the past several months.

Mrs. Gambill was a native of Alabama, born in 1864 in Perry County where she lived until 5 years of age. The family then moved to Sumpter county in Alabama where they lived until 1885 when they came to Texas, settling at Rockdale.

Mrs. Gambill, before her marriage was Miss Joe Anna Jones. She was married to John T. Gambill in Rockdale on February 3, 1886 and they moved to Cameron on December 3, 1890.

Mr. Gambill who died some years ago was a prominent business man

PANTHERS TAKE FIRST CONFERENCE TITLE

By GEORGE RABORN
Temple Telegram

Blocking, tackling, and driving fiercely as only an inspired team can, Rosebud's determined Black Panthers blasted their way to a well-deserved 20-0 victory over the Cameron Yoemen to capture their first District 21-A championship in the history of the school and avenge a string of losses to Cameron Thursday night before a crowd of 7,000 fans at Woodson field.

Hard-running Bill Davis and speedsters Richard Schigut and Jack Jonon scored one touchdown apiece and ripped through Cameron's line for a net gain of 227 yards rushing and 16 first downs to lead the Panthers' rugged attack. Davis booted two conversions to complete the scoring and send 1,500 Rosebud fans home happy.

Rosebud and Lampasas officials failed to reach an agreement last night on the date and site of their bi-district game and will meet again Saturday at 10 a. m. at the Chamber of Commerce office.

The Rosebud line outplayed Cameron's slightly heavier forward wall as ends Thomas Tapman and Gerald Heck, tackles Wilton Loftin and Allen Griffin, guard Billie Mock, and center Lewis Smith all turned in outstanding performances. The Panthers held a 6-0 lead at the end of the first quarter, but the outcome was never in doubt after Rosebud's great third period surge.

The Maroon-shirted Yoemen, who had chalked up a 7-0 victory over Rosebud only seven days ago, appeared to be far below form. The accurate passing of Alton Fuchs was missing completely as the charging Rosebud line rushed him badly and little Eddie Lankford could never get loose for long gains.

Cameron's line leaked badly, especially at right end, despite good games by tackle Melroy Eixman and end Frank Malone, and Fuchs didn't try enough passes. He completed only two of seven tosses for 21 yards. The Yoemen picked up 156 yards rushing and 11 first downs, but most of these were gained while backed up in their own territory by Davis' brilliant punting. Davis averaged 44 yards on four kicks.

Rosebud almost scored in the opening minutes. The Black Panthers couldn't go after receiving the kickoff, but Davis punted out of bounds nicely on the Cameron 17 and on the next play Fuchs fumbled and Tapman recovered for Rosebud on the 18. On third down, Schigut dived to the seven-yard line, but a holding penalty set the Panthers back and Gibson intercepted Davis' fourth down pass on the 16.

Cameron started a drive from that point, getting a lease on life when a roughing-the-kicker penalty that brought a first down, but the Panthers held and forced the Yoemen to punt to the Rosebud 37 from where they began a 63-yard march to paydirt.

GAME STATISTICS

	Rosebud	Cameron
First downs	16	11
Yards rushing	227	156
Yards passing	0	21
Passes attempted	1	7
Passes completed	0	2
Intercepted by	0	1
Fumbles (ball lost)	1	0
Punts	4 for 44	5 for 33
Penalties	2 for 30	2 for 20

Davis picked up a first down and Schigut ripped up the middle for 12 yards. Jonon rounded end for eight more and then Davis plunged to a first down on the Cameron 25. Three plays later Davis fought his way through tackle to the four-yard stripe and Jonon circled end and fell across the goal line for a touchdown. Davis' attempted conversion kick was wide, leaving Rosebud ahead, 6-0, a few seconds before the first quarter ended.

Coming back fighting, the Yoemen began to roll in earnest from their own 33 after the kickoff. On a spread play, Fuchs faked a pass and romped 15 yards to midfield. After Fuchs had carried to the Rosebud 30, the speedy Lankford slipped around end for 12 yards. Fuchs powered to the 18, but a holding penalty backed the Yoemen up.

At that, Cameron came pretty close. Fuchs picked up nine yards in tow lunges and on fourth down passed to Lankford, who was finally pulled down on the 13 and the Panthers took over. Davis gained 11 yards and then backed Cameron up to its nine-yard stripe with a beautiful 56-yard punt.

The Yoemen started moving again. Fuchs and Lankford combining their talents for a pair of first downs. Fuchs ran to the Rosebud 42 with 30 seconds left in the first half, but after his long pass fell incomplete, Fuchs was stopped for a two-yard loss as the half ended.

After both the Cameron and Rosebud bands had given good performances during the intermission, Lankford was slightly injured returning the Panther kickoff to the Yoemen 26. The Cats held, and Fuchs punted to the Rosebud 30, where safetyman Schigut fumbled as he was smeared by two Cameron players. The Yoemen recovered, but instead of getting the ball at that point they were penalized 15 yards for roughing and the Panthers got the ball on the Rosebud 44.

Davis backed the Yoemen up with a long, low punt that bounced over Lankford's head and stopped on the Cameron 19. Fuchs punted out to the Rosebud 44, from where the Panthers drove 56 yards to their second touchdown. Davis broke loose around end for 24 yards and Schigut plunged to a first down on the Cameron 17. Davis and Schigut made another first down on the three-yard line and on third down Davis plunged across from the one. Davis converted to make it 13-0 with one minute left in the third quarter.

The Yoemen couldn't go after the kickoff despite Fuchs' 11-yard pass to end Frank Malone and Fuchs' short punt went out of bounds on the Rosebud 44 in the first minute of the final period. The Panthers began driving again, Davis racing around end to the Cameron 34 and Schigut skirting the same vulnurable flank to the 19.

Three plays later Schigut cut inside the same end and romped to the five-yard line. Then he tried the identical spot and bulleted his way into the end zone for the touchdown that put the game on ice. Davis converted to make it 20-0 with six minutes remaining.

Cameron was all through after that. Fuchs' desperate passes fell incomplete and he was forced to punt to the Rosebud 42. The long-kicking Davis put the Yoemen in another hole with a punt to the Cameron 17, and the losers made their final surge from here. Fuchs hit center and then lateralled to Johns, who fought his way to midfield. Fuchs drove to the Rosebud 38 with 45 seconds left, but was tackled hard for no gain as the final gun sounded .

Heck was carried from the field early in the fourth quarter after suffering a bad leg injury. It appeared to be a broken leg, and he was covered up with blankets on a stretcher near the Rosebud bench.

Miss Billy Fletcher, student at Durhams College in Austin visited her parents, Mr. and Mrs. W. H. Fletcher and friends over the week end.

Telephone Workers Vote To Strike If Walkout Necessary

SAN ANTONIO, Nov. 17—A five-state strike, involving 40,000 of the 50,000 employes of the Southwestern Bell Telephone company, will be resorted to rather than prolong negotiations for a new contract to replace the agreement which expires Dec. 1, it was decided by the delegates at the Communications Workers of American Southwestern Division convention here Thursday.

A resolution, which officials said passed by a vote of 500 to 1, instructed the bargaining committee to "use every method at its disposal including a strike vote to bring about an immediate and satisfactory termination of the present 1949 negotiations."

Officials explained that a strike can be called only by a referendum of the membership. However, in speeches preceding the resolution, officials indicated that in their opinion a strike vote should be taken before the negotiations are actually deadlocked, so that the bargaining committee will have an expression of rank-and-file sentiment to use as a lever in its dealings with the management.

The resolution charges "the Southwestern Bell Telephone company failed to bargain in good faith with the Southwestern division for over nine months in 1948," and that "this delay caused the division large expenditures in time, effort and money."

Expressions by union officials, as well as the wording of the strike resolution itself, indicated that the union does not plan to continue negotiantions for an indefinite time. Bargaining started Oct. 28, was recessed for the convention, and is scheduled to resume Nov. 28, two days before the contract expires.

The union has members in Texas, Oklahoma, Kansas, Arkansas, Missouri and in three Illinois counties adjacent to St. Louis.

Mr. and Mrs. C. L. Canady spent the week end in Grand Prairie visiting Mr. and Mrs. Stinson Worley. They attended the Baylor-SMU game Saturday.

Maybelle Williams is ill and a patient in Newton Memorial Hospital.

30 NATIONS BROUGHT INTO ENVOY ARREST

WASHINGTON, Nov. 21 — The United States today asked 30 nations —including Soviet Russia—to join in bringing pressure on the Chinese Communists to free American Consul General Angus Ward and his staff from a Mukden jail.

An unprecedented personal appeal for urgent concerted action was sent out by Secretary of State Acheson over the week end to the Foreign Minister of every country with represenatives in China.

The new step, announced by the State Department, was taken amid a mounting outcry for the use of force if necessary to free the consular officials, who were jailed four weeks ago on charges which the United States has denounced as "trumphed up."

Officials said Acheson's personal appeal was without diplomatic precedent. It went out Friday night, a few hours after President Truman called the treament of Ward and outrage.

Acheson's move posed a direct test of the attitude of Soviet Russia and of four other Soviet bloc countries to which his message was dispatched.

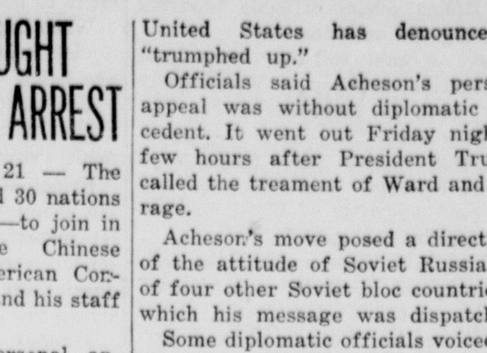
Some diplomatic officials voiced the suspicion privately that Russia as the principle backer of the new Chinese Red regime may have instigated the Ward incident as a blow to American prestige.

Clarence Baird of San Gabriel was a business visitor in Cameron Thursday. Mr. Baird has been a reader of The Herald for many years. His friends in Cameron are always glad to see him in the city.

MAKE FENCE MUCH FASTER
with this
POST HOLE DIGGER

Fine for setting out seedlings.

Makes holes for building foundations.



● Digging post holes by hand is hard work. The Danuser post hole digger attaches quickly to the Ford Tractor and can dig up to 600 post holes a day. Lifts and lowers by Hydraulic Touch Control. Pays for itself in time and labor saved . . . gets fence made quickly, between rush seasons or in spare time. Ask for a demonstration.

FIRST TIME PANTHERS REPRESENT DISTRICT

When the Rosebud Panthers take to Woodson field Wednesday night against the Lampasas Badgers it will be the first time in the history of the school that a bootball team has gone past the district finals.

Rosebud has played in the finals for the district championship a number of years, but when they chipped the Cameron Yoemen last week for the title it was the Panthers' first.

Rosebud had to fight for the crown after Cameron forced the district into a playoff game by whipping them, 7-0, in the last scheduled tilt.

But the way the Panthers bounced back here in Temple Thursday night when they won the championship left fans wondering just how Cameron turned the trick the first time.

Coach Glenn Lowe stated it was just one mistake on the part of the Panthers and in the second meeting the Panthers were mad and didn't make the mistake twice.

The Panthers stayed on the ground to push the Yoemen all over the field with all of the Rosebud backs alternating carrying the ball and picked up yardage on most of the plays.

Now they have to forget about Cameron and worry about Sam Fowler's Badgers.

Lampasas will have a slight edge on the Panthers going into the game. It won's be on past records but the fact that Lampasas has had an extra week to get ready as they finished their season on Nov. 11 while Rosebud had to meet Cameron last week.

The Badgers are reported to be in good shape for the game and Rosebud has a couple of men limping with leg injuries.

Lampasas' last game was played in the afternoon and the first and second Rosebud-Cameron game was well scouted by the Badgers.

On past records the Badgers have lost two games this season.

They dropped an early game to Killeen, 24-21, and tied San Saba, 0-0, but the Armadillos got the nod on first downs after the penetrations were even in the tilt.

Lampasas' forward wall has allowed only six points in district play and that was to Marble Falls after the Badgers had built up 20-0 lead and was using a reserve line.

Tickets for the Lampasas-Rosebud game will go on sale in Temple at noon today at the Wildcat News stand and the North side drug store. Reserve section seats are $1.20, general admission will be $1, and student tickets will go on sale at the schools for 30 cents. No student tickets will be sold at any place but the schools. —Temple Telegram.

MARLOW NEWS

Holly Hairston, Jr., of Waco visited his parents, Mr. and Mrs. Holly Hairston, Sr., Saturday and Sunday.

Mrs. Jane Smith of Cameron is visiting Mrs. Velma Quillin this week.

Miss Dovie Quillin is visiting Mr. and Mrs. Lee Quillin and other relatives at Lamesa this week.

Mr. and Mrs. Jack Wallace spent Sunday visiting Mr. and Mrs. S. W. McClaren, Jr.

Mrs. P. B. Short and Bernice returned with Mrs. George Leath for a visit.

T. C. Lewis has reutrned from an enjoyable deer hunt with Coy Arledge at Wilson City. Mr. Lewis brought back two nice buck and Mr. Arledge one buck. They reported a nice trip.

Humble Will Bring Broadcast of Game Thanksgiving Day

This Thanksgiving, as for the past fifteen years, Humble Oil & Refining Company will again bring football fans a complete broadcast of the season's climactic football game, the traditional Turkey Day classic between Texas A&M and the University of Texas.

Broadcast will start at 1:50 p. m. and Kern Tips and Alec Chesser will be at the microphones at Kyle Field in College Station to describe the 1949 renewal of the long series between the two state institutions. This year's game, as always, will be played before a sell-out crowd.

Stations to carry the game will be KRLD, Dallas; KTRH, Houston; KABC, San Antonio; KGNC, Amarillo; KTBC, Austin; KEYS, Corpus Christi; WTAW, College Station; KRGV, Weslaco; KRIG, Odessa; KIUN, Pecos; KVKM, Monahans; KELP, El Paso; KVLF, Alpine; KTRE, Lufkin; KPET, Lamesa; KINE, Kingsville; and KWFT, Wichita Falls.

Coy Arledge and T. C. Lewis are back in the city after a deer hunt near Willow City, Texas, both brought in deer, Lewis getting two and Arledge one. They left Cameron Saturday, November 12 and attended the Texas-TCU football game in Austin. After the game they went to the hunting lodge at Willow City.

Dallas Young Man Gets Three Years on Burglary Charge

Treedo Wilcox, 18, was given three years in prison in district court Monday on a burglary charge.

Wilcox entered the Matula Grocery in Santa Fe town October 1 where he took $3.14 and a few other coins. Officers here said he tried to open the safe. He entered the building through a sky light. At the time of the burglary he was employed by a Dallas painting contractor who had the contract for painting the Elm Creek Bridge.

At the time of the burglary in Cameron, he was out on bond on a similar charge in Dallas. He was placed in jail here until last week and was taken to Dallas for trial. He received three years for burglary there.

Wilcox was returned to Cameron Friday and was given a three years sentence that is to run concurrently.

Sheriff Black took him to Huntsville Tuesday.

Mrs. Betty Marie Reon, the former Mrs. Frank Horelica and son, John Terry, of Dallas visited in the home of Mr. and Mrs. Joe Horelica of Houston the past week end.

Jess Tomez is much improved and has returned to his home after being ill in Newton Memorial Hospital.

Negro Injured When Cars Collide On Highway at Buckholts

Samuel Jones, Buckholts negro, was injured Friday night near that City in an automobile accident.

A car driven by Alex Lazek who was on his way to the Cameron-Rosebud football game in Temple collided with the negro's car.

Officers here said the negro was blinded by car lights and was driving on the wrong side of the road.

The negro suffered a cut lip and bruises but occupants of the Lazek car were not injured. Both cars were badly smashed.

Charles Kornegay of Hermleigh visited Mr. and Mrs. R. A. Kornegay over the week end. Mr. Kornegay is employed in the oil fields.

Wayne Hardwick joined the U. S. Air Force last week and left immediately for Lackland Air Field in San Antonio.

Shack Shaffer visited his brother in Humble over the week end.

Week end guests in the home of Mr. and Mrs. A. L. Harper were their children, Guy Harper and family of Waxahachie and Mr. and Mrs. Bobby Owens of Austin.

New High In Song And Dance Picture Cameron Thursday

Probably the most unbelievable song-and-dance team in film history has been brought together for Universal - International's Technicolor comedy, "Yes Sir, That's My Baby," which opens Thursday at the Cameron Theatre.

The team is comprised of Donald O'Connor, Charles Coburn and Gloria De Haven, and the movie marks the first time Coburn has ever turned song-and-dance man in his Hollywood career.

The three get together for a rendition of the production's famous theme song, "Yes Sir, That's My Baby," which was written shortly after the first World War and is enjoying a revival with the U-I movie.

O'Connor and Miss De Haven have made their mark in the entertainment world as singers and dancers, but this is the first time they ever have appeared together.

Besides the theme song, the picture also introduces three original numbers, "They've Never Figured Out A Woman," "Men Are Little Children" and "Just Look At Me," written by Jack Brooks and Walter Scharf.

Coburn, who admits he is 72 and has a voice "like an overgrown bullfrog," rehearsed for three weeks for his singing and dancing act.

"At first I wasn't sure I'd be able to stick with these young upstarts," he said, "but I found out I knew some dances Donald and Gloria never heard of."

"Yes Sir, That's My Baby" traces the hilarious adventures of a young couple attending college under the GI-Bill, with O'Connor as a veteran and Miss De Haven as his wife.

GARAGE BURNS

The garage at the home of Joe Fikes on East 21st street was destroyed by fire around 5 p. m. Thursday. The blaze resulted from a trash fire nearby. A late alarm caused a dangerous situation and firemen were fortunate to have saved other property.

Friends of Mrs. Jack Porter of Caldwell will regret to learn she is among the patients ill in Newton Memorial Hospital.

Mr. and Mrs. Thomas J. Hickerson of Rosebud visited Mr. and Mrs. S. A. Cottle Sunday evening.

Pandora's Box Was No Match For Mail Boxes

PITTSBURGH — Every mail box is a potential "Pandora's Box." That is the opinion of Charles F. Musiol, general foreman of the post office claims-inquiry department here.

Musiol bases his assertion upon the variety of items taken from the street boxes each day by mail collectors.

Pittsburgh has 3,000 mail boxes within the city limits, and each gives up at least one mailed-by-accident article every day.

Cigarettes to Cats

The items range from lighted cigarettes tossed in by pranksters, to snoopy cats or house-hunting turtles. Recently, a postman was challenged by an irate garter snake that evidently had decided that the dark, roomy confines of the mail box made an ideal maternity ward.

Tipplers often mistake the letter drops for trash baskets and deposit their empty bottles for the mailman. Other folks toss half-eaten sandwiches, gum wrappers and garbage into the "convenient" boxes.

Often, a cat lover will be blessed with a litter of kittens and simultaneously cursed with the job of giving them away. An easy method, some feel, is to drop the whole family into the mail box with a note instructing the postal authorities to "find them a good home."

Other cats, just curious, find their way into the box and then can't get out. As often as not, their liberator is clawed when he sticks his arm in to scoop up letters.

Occupational Hazard

Another occupational hazard faced by the postman is the possibility of being stuck by pins of costume jewelry that slip from the clothing of letter-mailing women.

Secretaries, Musiol believes, are the greatest contributors to his "collection." In their last-minute haste to get rid of the mail and catch a trolley home, they dump lipsticks, false teeth, money, compacts, cornplasters, keys, spectacles and other items into the drops.

No matter what the intruding article might be or how it got there, the postman delivers it to Musiol's department in the federal building. There it remains for 30 days, while the owner may claim it.

DALLAS SCHOOL HEAD REVEALS PENETRATION

DALLAS, Nov. 14—Soviet information bulletins coming to Texas high schools the past few months have been kept from the teenagers.

"Out and out propaganda," Dallas Superintendent of Schools W. T. White said. "They've been coming to both our junior and senior high schools. I've filed them in the 'round file'—the wastebasket."

Seven other Texas cities reported the bulletins had come to their high school libraries. All said they had kept them off the school library shelves.

Rep. George Mahon (D-Tex) said he had written the U. S. Office of Education, the Secretary of State and the Postmaster General asking them to stop the "infiltration" through the mails.

"I know that the Russian press and Russian statements generally are completely untrustworthy," Mahon said, in an interview "and I think it would be a tragic thing to see the minds of the youth of our country poisoned by mis-statements from Moscow."

Lubbock, Houston, Tyler, Corpus Christi, Fort Worth, Waco, Amarillo and Dallas school officials reported receivnig the bulletins.

Most of them said they came from the Russian embassy in Washington. They were in magazine form. The October issue included "Budapest trial was victory for peace, says Pravda editorial" and "Honored and well paid scientists of USSR are encouraged by the state."

White said those received in Dallas contained "distorted and vicious" attacks on the United States, Great Britain and the Western powers, particularly the United States.

J. O. Webb, assistant superintendent of Houston schools, said a check-up showed school librarians had either kept the literature off the shelves or destroyed them of their own volition.

Tyler school officials said they were keeping the bulletins for possible use in the journalism department to study propaganda technique.

Waco high school has received four Soviet information bulletins. They are being withheld from circulation.

The bulletins received at the Amarillo high school library are not made available for student use.

Principal Wade Keene of the Lufkin senior high school said that Soviet information bulletins for the school were discontinued at his request more than two years ago. The school received them for about a year.

Thomas B. Portwood, superintendent of the San Antonio independent school district, said that the literature had not to his knowledge thus far been received by the city schools there.

Mr. and Mrs. Owen Weems of Cameron visited their daughter and family, Mr. and Mrs. Lincoln Barber at Jacksonville Sunday.

If You Are 85, 45 or 3, Hadacol Helps All Ages

HADACOL is good for all ages, bringing five of nature's B vitamins and important minerals to the young and old alike. Recently the HADACOL folks received the good news that among the countless thousands who had been benefited by HADACOL were a lady of 85, a man of 45 who felt like he was 18, and a beautiful little girl only three years old.

Mrs. Edmond Doucet, of Church Point, La., is 85 years old, having thousands of friends in the picturesque Evangeline section of Louisiana where she was born and has spent all of her life. These friends are happy to know that Mrs. Doucet feels better now than at any time in two years and gives the credit to HADACOL.

MRS. DOUCET

"I had been sick for almost two years and was suffering with gastric disturbances and bloating. I was run down, had lost weight and had to stay in bed most of the time. I lost courage and felt that there was no hope for me."

Mrs. Doucet had tried many preparations without apparent beneficial results when she heard the glorious news about HADACOL.

"After taking several bottles of HADACOL I felt like a new person," said Mrs. Doucet. "I eat anything I want without ill effects and sleep well. I feel much stronger."

Neville Dugas, of Route 1, Box 101 B, Carencro, La., is a successful farmer who had worked early and late at all kinds of hard work and it wasn't so long ago that he wondered if he would ever be able to work that way again. He had tried many medicines, but felt no better.

MR. DUGAS

"I had all kinds of stomach disturbances," said Mr. Dugas. "My stomach was so bloated that it felt like it would swell up and burst. I suffered with gastric disturbances, heartburn and was run down and nervous. I had no appetite and suffered with headaches and I couldn't sleep at night. I was so drawn and pale that my friends had difficulty in recognizing me. After the third bottle of HADACOL I felt a real improvement and after the twelfth bottle of HADACOL I felt like I was 18 instead of 45. I am feeling perfectly well."

"My three year old daughter, Joan, had lost her appetite," said Mr. Dugas. "Her cheeks were pale and she cried often. I started giving Joan HADACOL and after three of the large economy size bottles she is now healthy, has an excellent appetite and her disposition is perfect."

JOAN

All three of these people were suffering from a lack of B vitamins and the minerals which HADACOL contains. HADACOL comes to you in liquid form, easily assimilated in the blood stream so that it can go to work right away. It is easy to understand, therefore, why countless thousands have been benefited by this amazing tonic, HADACOL.

A lack of only a small amount of B vitamins and certain minerals will cause digestive disturbances . . . Your food will not agree with you. . . . You will have an upset stomach. . . . You will suffer from heartburn, gas pains and your food will sour on your stomach and you will not be able to eat the things you like for fear of being in misery afterwards. Many people also suffer from constipation. And while these symptoms may be the results of other causes, they are surely and certainly the symptoms and signs of lack of B vitamins and minerals which HADACOL contains. And if you suffer from such a deficiency disorder, there is no known cure except the administration of the vitamins and minerals which your system lacks.

It is easy to understand, therefore, why countless thousands have been benefited by this amazing tonic, HADACOL.

So it matters not how old you are or who you are . . . it matters not where you live or if you have tried all the medicines under the sun, give this wonderful preparation, HADACOL, a trial. Don't go on suffering. Don't continue to lead a miserable life. Many persons who have suffered and waited for 10 to 20 years or even longer, are able now to live happy, comfortable lives because HADACOL supplied the vitamins and minerals which their systems needed. Be fair to yourself. Temporary relief is not enough for you. Give HADACOL a trial!—Adv.

Rainbows in Living Room Not to Be Expected Soon

PASSAIC, N. J.—It will be at least a decade before you can have rainbows in your living room. Dr. Allen B. Du Mont, one of the "big three" television manufacturers says color television is between 10 and 20 years away.

The federal communications commission is currently holding hearings on whether to authorize color telecasts.

"I think the FCC will postpone the thing until they have something decent to go ahead with," said Du Mont. "There has been no real change in either the CBS or RCA systems in the last three years.

"We are experimenting with half a dozen methods ourselves. But you can't make a foolproof color system overnight. And there just isn't a system ready yet that is commercially feasible."

The FCC announced in advance of its hearings that it wouldn't approve any color system that would make television sets now on the market obsolete.

Du Mont believes that by 1953 there will be 13,500,000 video boxes in use, 1000 TV stations on the air, and some 950,000 persons in the mushrooming new industry.

The stocky, 48 year old scientist turned businessman began at the bottom. In 1931 the young inventor made the biggest decision of his life—"to be my own boss."

He began turning out cathode ray tubes in a remodeled garage.

"Our sales for the first year totaled exactly $30," he recalled, "and we lost money for six straight years."

But by 1941 the firm had an annual gross of $600,000. In 1948 it had grown to 27 million dollars, and this year Du Mont expects it will reach 45 to 50 million dollars.

He has his own television network now and just this week dedicated a two million dollar plant at East Paterson, N. J., capable of turning out a TV set every 20 seconds.

Du Mont has patented more than 50 inventions himself and still tinkers a couple of hours a day with some 60 TV sets he has set up in a laboratory near his home.

"I used to keep them in the house, but my wife screamed so much I had to move them out to a lab," he said.

He feels that radio will soon be secondary to television and believes this is already true in the larger cities. And he stubbornly contests the contention by some that radio will retain its dominance during daytime hours.

"We already have a bigger audience on some of our daytime TV programs than competing radio stations," he said.

HOOT MA-AM WHAT A THR-RIFTY BUY!

HN Philips S. Ermis Gets Navy Promotion

HN Phillip S. Ermis has been advanced to Hospitalman in the United States Navy.

Promotion has just been granted and in the order Commander N. G. Doukas, Personnel Officer, says that Edmis has exhibited fine initiative and conscientious endeavor and has completed the prescribed courses successfully.

He is 18 years old and has been in the navy two years. He is the son of Mrs. Frances Ermis Michna, supervisor of nurses at Newton Memorial Hospital .

CITY WILL SOON GET REQUESTS FOR DEEDS

Progress was made this week on the proposed route of Highway 36 through the city of Cameron with the District offices of the Texas Highway Department completing a survey through Cameron for the right of way.

The proposed route is along Highway 77 as far west as North Travis then due west on West 7th Street across the Newton Memorial Hospital grounds.

The new route will cross the rails of the Texas & New Orleans railroad on an extension from the hospital grounds and then west to the city limits, veering southwest to intersect the old right of way beyond Skeezix. The National Guard Armory and grounds will be left to south of the new route.

The present route of Highway 36 is south on Crockett and west on 8th Street to the city limits.

This right of way survey meets the modern demands for highway construction and will be the route on which the highway department will wish to construct.

The city council now has a fine opportunity to achieve something worthwhile for the city. True this right of way will cost considerable but will be worth it. It means the greatest step forward in highway benefits in the recent history of the city. The people will recognize its value and will no doubt be ready to authorize an issue of bonds if necessary to acquire this right of way.

Mr. and Mrs. Albert Sebesta left Wednesday to visit relatives and friends at Fort Worth. They will return later in the week.

Mr. and Mrs. Ladis Marek spent Saturday visiting their son, Ladis, Jr. at Southwestern University, Georgetown. While there they also attended the Southwestern-A&I football game.

Death Trap On 36 Responsible For Another Car Crash

J. C. Gaddley of Caldwell and Kenneth Mullins of Valley Mills, on their way to Caldwell Friday night narrowly escaped death when their car overturned on a sharp turn in the west edge of Buckholts.

Both young men were taken to St. Edwards Hospital in Cameron for treatment. Both were cut and bruised. Their car was badly smashed.

The highway through Buckholts is hazardous in its present route and the new right of way will eliminate these death traps.

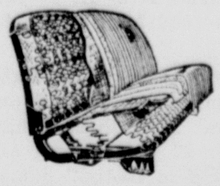
Record Deer Kill Reported

FREDERICKSBURG, Nov. 17—A record kill for the first day of the deer hunting season yesterday was reported here today. More than 800 bucks were reported in storage at four Fredericksburg locker plants early today and another 100 placed in ice vaults at Harper.

It is estimated at least 3,000 hunters took to the woods on the initial day in Gillespie County.

Amiel Stallmach has reutrned to his home after being a patient at Newton Memorial Hospital.

✓ Check the Fine Car Features at your Ford Dealer's Today!

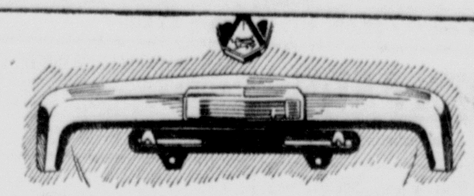


☐ **New front-seat springs** of non-sag construction are firmly buoyant for restful posture.

☐ **New foam rubber** front-seat cushions hold their shape, provide added comfort.

☐ **Style note**—that's the new, rich Ford medallion on hood and rear deck—it's beautiful!

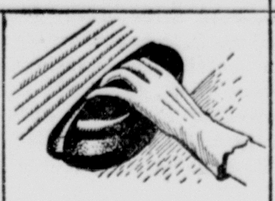
☐ **New rotary door locks** as in costliest cars—doors close silently and securely.



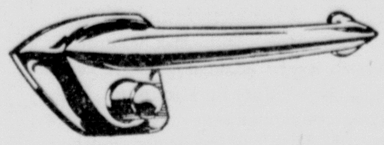
☐ **New ornamental deck-lid handle** forms attractive frame for license plate.

☐ **Deck-lid latch**, too, is new. Luggage Compartment opens with finger-tip ease.

☐ **New rubber seals** and molding on windshield and back window add snugness.



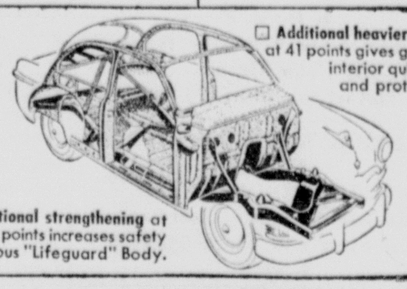
☐ **Arm-rest door closer** now provides a finger-fit grip to close doors easier.



☐ **Touch-button latch.** Yes, a touch on the button is all it takes. Sleeves can't catch.

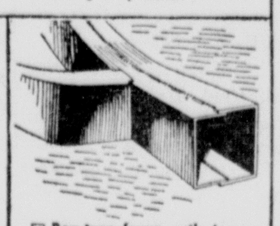
☐ **New exterior handles,** anchored at both ends, have the grace of fine silverware.

☐ **New colors**—your choice of 11. They're baked on to keep that "Showroom Complexion."



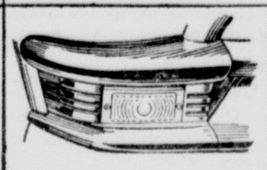
☐ **Additional heavier sealer** at 41 points gives greater interior quietness and protection.

☐ **Additional strengthening** at 13 vital points increases safety of famous "Lifeguard" Body.

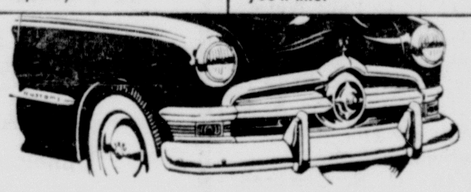


☐ **Box-type frame rails** have steel of increased thickness for greater rigidity.

☐ **Long life** has been added everywhere to the engine, frame, and body. That's Ford quality!

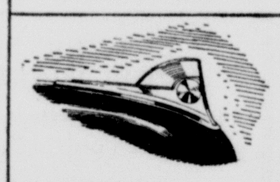


☐ **Parking lights** are now repositioned and re-styled—another touch of beauty you'll like!

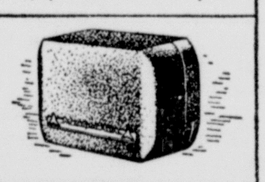


☐ **New streamline details** in good taste bring new beauty to the "Fashion Car."

☐ **New bumper guards** and new bumper support arms keep you safer . . . in style.

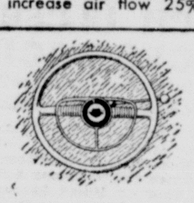


☐ **Hood ornament** of new design adds a touch of distinction to Ford's famous beauty.



☐ **"Magic Air" Heater** for 1950 has higher speed motor to increase air flow 25%.

☐ **New fabrics** are a decorator's dream—your choice of long-wearing broadcloth or mohair in rich clear colors.



☐ **Horn ring** is smart looking and of new shape to prevent snagging of sleeves or lady's bracelet. Needs only a touch.

"Magic Air" Heater, Radio and white sidewall tires optional at extra cost.

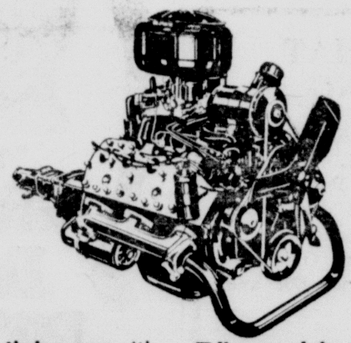
50 WAYS NEW FORD for '50

YES, the 50-way-new '50 Ford is the one fine car of the low-price field. It's the only low-priced car designed in perfect 3-way balance . . . with (1) top fashion car styling . . . with (2) top power in the new 100 h.p. V-8 and 95 h.p. advanced Six . . . and (3) top provision for roomier comfort. But your Ford Dealer is the man to see, he'll let you drive it!

The one fine car in the low-price field

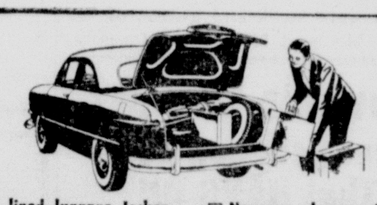
☐ **New pistons**—super-fitted and designed to start more quietly, run more quietly.

☐ **New 3-blade fan**—it's designed to scoop in more air at a slower, quieter fan speed.



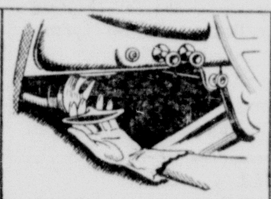
☐ **New timing gear**—it's made of new "hushed" material for extra engine quiet. Try to hear it!

☐ **New camshaft**—its lobes are specially designed for quieter, more efficient valve operation.



☐ **New lined luggage locker** offers more baggage space than any other car at Ford's price.

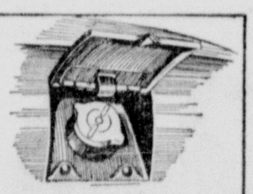
☐ **New rear bumper** has rib and new mounting arms for greater protection against impacts.



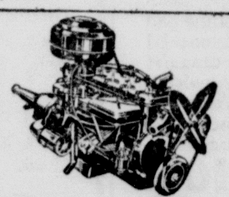
☐ **Hand brake** operation is easier because of zinc-based permanent-type lubricant.

☐ **New "Magic Air" Heater control** clearly marked, lighted for easy reading, easy to operate.

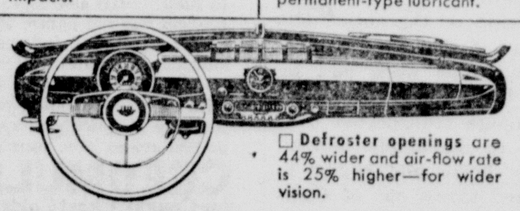
☐ **Sealed brakes**—protected against dust and water for greater safety.



☐ **New gas filler tube and cover**—new non-spill vent tube. Closed cover blends into body.



☐ **Finer Six,** too—95 h.p.—the most advanced Six you can buy. Gives greater economy.



☐ **Defroster openings** are 44% wider and air-flow rate is 25% higher—for wider vision.

☐ **New concave instrument knobs** have brilliant, new contrasting colors.

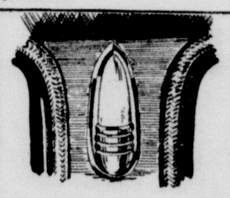
☐ **Interior light switch** now located on instrument panel. It saves groping in the dark.

☐ **Improved front suspension** with new torsional stabilizer adds to Ford's roadability.

☐ **Smart hardware,** inside and out, has been designed to give you more than beauty.

☐ **New doubled-walled glove compartment door** has new piano-type hinge. Looks and works better.

☐ **New color styling** in a steering wheel that's a pleasure to touch. Positive grip.

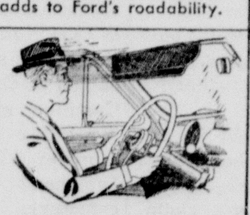


☐ **Automatic courtesy light** goes on when you open either of the front doors.

☐ **More head room** results from new bows that hold top lining across full width of roof.

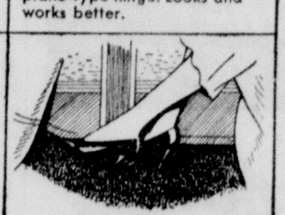
☐ **New interior appointments** Smart ornaments. New rich treatment on door panels.

☐ **Brake pedal** is well away from steering column to allow greater driving freedom.



☐ **New wider sun visors** for more protection from glare—more safety when sun is low.

☐ **Exclusive 100-h.p. V-8 performance** for brilliant pick-up, smooth response, safe control.



☐ **New floor coverings** in both front and rear, are made of rich and durable materials.

FLOY MCLANE SHAW BURIED IN TEMPLE

Funeral services were held in Temple Saturday, at 3 p. m. for Mrs. Floy McLane Shaw, 64, who died suddenly at her her home Friday, November 18, 1949.

Services were held at First Presbyterian church, with Rev. M. Mar-Yosip and Rev. J. W. Whitefield officiating. Burial was made in Hillcrest cemetery.

Mrs. Shaw was born at Hearne in 1885 and moved to Cameron in 1886 with her parents, the late Mr. and Mrs. Andrew McLane.

In 1909 she moved to Temple where she was manager of Southwestern Bell Telephone Company for 39 years. She was married to Stuart Shaw, Temple printer in 1914 in the home of Mr. and Mrs. Joe Kreusch. She retired from the telephone company in 1940 and was employed at McCloskey Hospital for four years. At the time of her death she was secretary of First Methodist Church in Temple.

A member of First Presbyterian Church, she was a charter member and past vice-president of Business & Professional Women's Club, a Eastern Star.

Mrs. Shaw is survived by two brothers, Lee and Robert McLane, both of Cameron, and several nieces and nephews.

Active pallbearers were: Frank Moore, M. J. Parrot, Beal Hargrove, John Peters, Lamar Zivley and Ned Patterson. Honorary pallbearers were members of the Business & Professional Women's Club.

Hewett Funeral Home had charge of the arrangements.

LEASE CASE—

(Continued from page one)

Other lessees involved with Wheelock are his wife, Mr. and Mrs. Robert Q. Kennaugh, Mr. and Mrs. Vernon H. Willis and H. P. Wells, Jr.

In a non-jury trial in district court, judgment was rendered to the lessors, with damages assessed at $23,-262.50 with interest. The plaintiffs owned only the mineral rights under the land, the surface being owned by their father.

The appeals court noted that Batte and his sister seemed anxious for the lease to lapse, while the lessees wanted to kep it alive, but as cheaply as possible. In view of the oil activity, the court said the reasons on both sides were obvious.

Under terms of the lease, the lessees—Wheelock et al—had to begin drilling operations within one year or lose the lease, unless they paid $930.50 as annual rental, which would extend the lease for another year.

Court records indicated that frantic efforts to get drilling under way at the last minute ran into difficulty and apparently failed, although lessee thought his lease expired at midnight, March 12, 1948. Batte, the lessor, encouraged that belief. The appeals court held that the lease did not expire until midnight March 13.

In reversing the trial court judgment, the appellate tribunal termed the damages "tremendous," and called attention to the fact that the lessor did not own the surface of the property alleged to have been damaged.

ROSEBUD-LAMPASAS—

(Continued from page one)

the use of the field on Thursday night because in the event of rain the turf would be in bad shape for the Temple-Waco game Friday night.

Coach Sam Fowler of Lampasas wanted to play the game Wednesday night and wouldn't consider Saturday night because of the late closing of the merchants. Lampasas is the 22-A champion.

Coach Glenn Lowe of Rosebud wanted to put the game off as long as possible in order to put the Panthers in shape after their battle with Cameron Thursday night when he had a couple of boys shaken up quite a bit. Rosebud has just won its first 21-A title.

They adjourned their Temple meeting and went to Belton to talk over the possibility of using the new Tiger field for the game.

After a two-hour meeting it was decided to flip a coin to determine the date the game would be played in Temple after the Belton field was judged too small to handle the expected crowd.

Coach Fowler won the toss and set the game for Wednesday night. Tickets for the game will go on sale in Temple, Lampasas and Rosebud Tuesday afternoon.

Reserved section tickets will be sold for $1.20 each, including tax. General admission seats will be $1, and student tickets will be 30 cents.

Student tickets will be sold only at the schools, and students must buy their tickets at their respective schools.

The reserved sections will be the same as the Cameron-Rosebud game, 1,500 on each side of the field.

Lampasas won the district championship with only one district defeat on first downs while Rosebud will enter the game with the same record.—Temple Telegram.

Mr. and Mrs. Clarence Baird of San Gabriel were Cameron visitors Wednesday of the past week.

MRS. GAMBILL—

(Continued from page one)

here for many years, being best known as operator of a livery stable before the coming of the automobile and also owner of the transfer line. In those days trains were met by horse drawn buses and passengers and their baggage transported over gravel streets to the hotels. Traveling men hired horse and buggy to make the inland towns out of Cameron.

Mrs. Gambill was a member of the Christian church. She was Baptised in San Gabriel creek in 1886.

Funeral services were held at the chapel of the Green Funeral Home in Cameron at 10:30 a. m. Monday, November 21 by Rev. Wendell Carr, minister at First Christian Church. Interment was made in Oak Hill cemetery.

Mrs. William Alvin Allday of Rockdale was in Cameron Thursday visiting with old friends.

Bridgitt Michalka, daughter of Mr. and Mrs. Robert Michalka is a patient at Newton Memorial Hospital.

JONES PRAIRIE
By MRS. S. S. HICKMAN

Miss Irene Kuzel and Sgt. Joseph Rollins Married In Temple

Miss Irene Kuzel, daughter of Mr. and Mrs. John Kuzel of Buckholts became the bride of M-Sgt. Joseph Rollins, son of Mrs. Nelle Rollins and the late John Rollins of Daytona Beach, Florida.

The informal double-ring ceremony was read in Temple by the Rev. William Johansen, Saturday, November fifth, at 4:30 in the afternoon.

The bride was attended by her sister, Mrs. Joe Millian of Temple, who wore a rose taffeta dress with a matching feather hat and carried a hand bouquet of white mums tied with blue ribbons.

The bride wore a ballet length dress of champagne colored lace over taffeta with a dusty rose feather hat and matching veil. She carried a hand bouquet of white roses tied with satin ribbon.

After the ceremony a reception was held at the Kuzel home, where the bride and groom greeted the guests at the door.

The brides table was laid with a lace cloth and white gladioli and chrysanthemums formed the centerpiece. Mrs. John Burtis served the two-tiered wedding cake and Mrs. Charles poured punch.

Mrs. Rollins graduated from Buckholts high school and for the past six years has been employed by the U. S. Government in Victoria and San Antonio.

The groom is a graduate of Copper Hill, Tenn., High School has served with the Army Air Corps for the past nine years.

Out of town guests included; Mr. and Mrs. Frank Rendorf and sons of Waco, Mrs. H. N. Harris and Mrs. Wade Price of Kearns, Mr. and Mrs. John D. Sefcik and children, Mr. and Mrs. H. A. Kuzel of Waco, Mr. and Mrs. Charles Mikulas, Mr. and Mrs. Ed Sodek and Mr. and Mrs. Franklin Martenie of Temple and Mr. and Mrs. Herman Ludwig of Rockdale.

Morning Coffee For Bride-Elect At Home Of Anna Lee Kirk

Miss Anna Lee Kirk honored Miss Peggy Posey, bride-elect of Pat Manley of Houston, with a coffee on Friday morning, November 11.

The refreshment table was laid with a Maderia cloth and centered with an arrangement of red, white and blue Mums. Red, White and blue tapers were on the buffet.

Refreshments consisted of pie topped with whipped cream, nuts and mints. Miss Alyce Kosel presided at the coffee service.

Guests were Misses Alyce Kosel, Veronica Michalka, Mesdames Lanelle Gould, Naomi Nederland, Loretta Brock, Inez Collins, Ross Posey, Bob Kirk, the hostess and the honoree.

Miss Kirk presented the honoree with a gift.

Mrs. Will Lake is a medical patient in Newton Memorial Hospital. Her friends wish her a speedy recovery.

Mr. and Mrs. Joe Bass visited in the home of Mr. Bass sister, Mr. and Mrs. L. C. Newcomb at Caldwell Friday and Saturday.

Nila Jean Fuller Hostess At Party

Miss Nila Jean Fuller was hostess to a Surprise Birthday Party in honor of Paul Dean Woodum at her home Monday afternoon, November 14.

Twenty-two guests were present to wish him many returns of the day.

Mrs. Inita Gandy was in charge of the games played.

The hostess served hot chocolate and cake.

In a treasure hunt for gifts Paul Dean found many and useful gifts given him by his friends.

Mrs. Susie Matthews Hostess at Birthday Party For Three

Mrs. Susie Matthews was hostess to a Birthday party honoring Mrs. Frank Barrett, Frank Horelica and Miss Susie Dell Matthews at her home Wednesday evening .

Mrs. Matthews assisted by Mrs. Frank Horelica served a chicken supper with all the trimmings to twelve guest present. A lovely blue and white three tired birthday cake with candles was the centerpiece.

Mrs. Barrett, Frank Horelica and Miss Matthews received many useful gifts.

Sunday School Boys Are Given Party

Mrs. Berry Caldwell and Mrs. H. H. Harber honored their junior boys and girls of their Sunday School classes, with a Thanksgiving party Friday night, at Battetown Baptist Church.

The church was artistically decorated in keeping with the season, and as each guest arrived they received a paper turkey with their name written on it.

Seventeen boys and girls were present for the occasion and played a series of spirited games.

The hostesses served cookies and soda water, and each guest received a plate favor.

Judge and Mrs. Tyson Hosts to Members of Commissioners Court

Members of the Commissioners Court were entertained with a luncheon at the home of Judge and Mrs. Dan Tyson on Wednesday.

Those present for the occasion were: Commissioners Locklin of Thorndale, Neal of Rockdale, Raney of Buckholts, County Clerk, Homer Nabours, Sheriff Carl Black and County Auditor Conn Isaacs of Rockdale. Commissioner Markham was out of the city.

Mrs. Tyson was assisted in the hospitalities of Miss Veronica Michalka, secretary to the County Judge.

Miss Peggy Posey And Pat Manley Are Married November 18

Miss Peggy Posey, daughter of Mr. and Mrs. Ross Posey became the bride of Pat Manley, son of Mr. and Mrs. George Manley of Minerva Friday morning at ten o'clock, at the home of Mr. and Mrs. O. L. Hairgrove in the Green Addition.

Rev. M. A. Sanderford, Pastor of First Baptist Church, Sommerville read the wedding vows in the presence of the immediate families and a few close friends.

The home was decorated with Fall colored chrysanthemums.

The bride was attired in a tight fitted steel blue satin suit with white hat and gloves. Her other accessories were black, and she wore a bronze orchid.

Mrs. Manley is a graduate of Cameron Yoe High School and for the past several years has been employed with Emory B. Camp Insurance Agency.

Mr. Manley is a veteran of the last war, having served four years in the U. S. Navy.

The couple will spend their honeymoon in their newly constructed home in Pasadena, where Mr. Manley is employed with The Shell Chemical Company. Mrs. Manley will return to Cameron where she will continue her work for a short while.

Mrs. Alfred Price Honors Husband on Birthday Sunday

Mrs. Alfred Price honored her husband with a surprise party on his birthday at their home Sunday.

Their children who were present for the occasion were: Mr. and Mrs. Jimmy Raney of Houston and Mr. and Mrs. James Vickers and daughter, Charlotte of Rosebud. Others present were: Mr. and Mrs. Jim McGoldrick, Mr. and Mrs. M. A. Baggerly, Mr. and Mrs. Herbert Baggerly, Mrs. Mary Jane McGoldrick and Miss Joyce Baggerly of Cameron.

Mrs. Price served a delicious chicken and dressing dinner.

The home was decorated with varigated Chrysanthemums. The honoree received many useful gifts.

Mrs. Agnes Lowe, Executive Secretary of the local Red Cross Chapter attended a Red Cross Executive Secretarial meeting held at the Plaza Hotel in San Antonio last Tuesday and Wednesday.

L. C. Angel of Houston and Cecil Laywell visited friends and relatives in Cameron the past week end.

Mr. and Mrs. Billy Allison and children and Miss Catherine Michalka of Liberty vsited Mr and Mrs. Frank Michalka over the week end.

Garden Club Meets With Mrs. Swift

Cameron Garden Club met Thursday at 9:30 in the morning at the home of Mrs. Stanley Swift, with Mrs. B. F. Robinson, and Mrs. H. F. Smith assisting the hostess.

Flower arrangements were made by Mrs. J. C. Martin, Mrs. Leland Denson and Mrs. Bill Burns. Mrs. Garth of Jackson, Miss., was guest for the meeting.

Interesting papers were read by Miss Katherine Flinn and Mrs. Leland Denson. Miss Flinn's subject was "Horn of Plenty" and Mrs. Denson chose for her subject, "Thanksgiving Tables."

Mrs. Charlie McDermott gave a report on "Horticulture."

Mr. and Mrs. Joseph B. Wills of Fort Worth have announced the arrival of a seven pound daughter, born November 2, 1949 at Fort Worth. She has been named Helen Perkins Willis, and is the second daughter, 2½ years old Dorothy Davis Wills. The mother is the former Dorothy Perkins, daughter of Mr. and Mrs. L. Van Perkins.

Linda Ann Ethridge, little daughter of Mr. and Mrs. Johnny Ethridge has returned from a visit with her grandparents, Mr. and Mrs. Jack Davis of Rosebud.

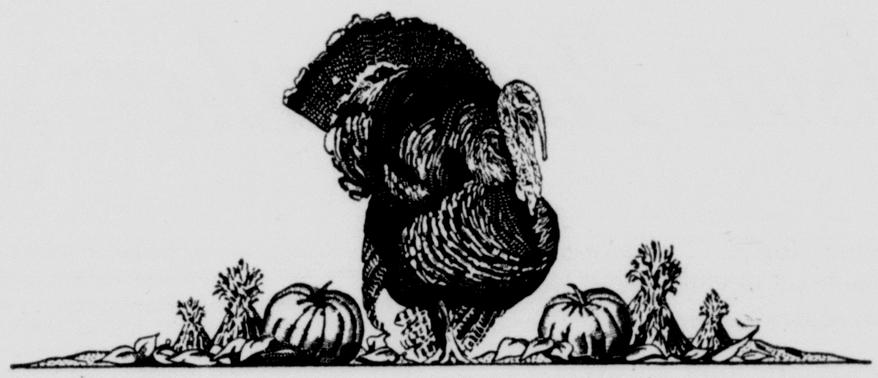
DUPONT PAINTS

The LeBlanc Corp. has purchased a $250,000 steel and concrete building with 35,000 square feet of floor space in Lafayette, La., and will remodel it at a cost of more than $50,000 for the national headquarters of Hadacol, famous B vitamin and mineral preparation.

Dudley J. LeBlanc, Founder and President of the LeBlanc Corp., announced the purchase of the building. The small building which now houses the Hadacol factory will be converted into a garage for the fleet of Hadacol trucks and for storage space. The office headquarters of Hadacol, which now occupies a building in downtown Lafayette, will be moved to the new building.

The new Hadacol building was built in 1945 and is of excellent construction. Remodeling work already has begun and the LeBlanc Corp. plans to move into the new headquarters early next year. Mr. LeBlanc and officials of his organization already have begun making plans for a gala opening of the new headquarters.

"The office and manufacturing facilities will be the most modern possible," said Mr. LeBlanc. "The building will be air conditioned and will have many other features. It is just another forward step in the remarkable progress of Hadacol."



THIS YEAR

we have so much to thank you for . . .

THROUGHOUT this great country, people are taking time out from their labors to express thanks through prayer and thanksgiving.

And along with these personal expressions of gratitude, we would like to add a special message of thanks to all our friends, both old and new.

THANKS to all of you who have bought new Chevrolet cars and trucks from us. We appreciate your choice, and know you will find true driving enjoyment in the extra-value Chevrolet offers. THANKS to those of you who have placed orders and are waiting delivery. Your patience and your loyalty to the Chevrolet standard will find a sure reward in the complete satisfaction your new Chevrolet will bring you. THANKS to our many service customers, for the confidence you have shown in our service methods. We are proud of the fact that you like the way we take care of your car. We are happy that you keep coming back to us when it needs attention, because we want your car to give you perfect satisfaction.

THANKS to everyone who has made this one of the greatest years in Chevrolet history . . . in new car sales, in new truck sales, in service. Your preference has proved again that Chevrolet is the car America likes best, and we thank you for it.

County Council of Home Demonstration Clubs Hear Report on State Meeting As Delegates Point Way To Progress

By MRS. ISABELLE MOODY
County Home Demonstration Agent

Mrs. Hugh Wimberly of Hoyte, Home Demonstration Association Committee Chairman of Milam Caunty, Mrs. E. H. Foster of New Salem, Mrs. Joe Brown of Tracy, elected delegates of the State Meeting; and Mrs. Claudie Muston, visitor from this County, gave an interesting report of the meeting to the County Council members.

Mrs. Muston ,acting as introductory speaker, displayed a toy wagon, dressed up in club colors, green and white, representing the whole of the T. H. D. A. program, with each wheel and the tongue representing a different phase of T. H. D. A. work, if and when all are pulling together the wagon or program would run smoothly. One wheel was labeled 4-H work, another Recreation, another Marketing, and the other Legislative work, all pulled by the tongue which was labeled Education and Expansion. These labels were the types of workshops the delegates attended at the meeting.

The reports were divided into four groups, each delegate taking a part and responding when called on by Mrs. Muston. Mrs. Brown gave the report on Marketing and 4-H work, represented by two of the wheels. In her report, she stressed cooperation with 4-H clubs and suggested that Home Demonstration Club women should help with the 4-H programs and should include 4-H probers on their own programs. Several suggestions and helpful hints were brought out on marketing, one of which was to clean your eggs with vinegar rather than water to help keep the eggs from deteriorating so rapidly.

Mrs. Foster gave the report on Legislative work and Education and Expansion, represented by one wheel and the tongue of the wagon. She stressed the importance of the smooth-running of these two phases of T. H. D. A. Work in bettering the results of the program as a whole.

It takes Education and Expansion, which was represented by the tongue of the wagon, to keep us guided in the right direction and to keep up with the times. For instance, when you let the tongue down, the whole works slows up.

Mrs. Wimberly gave the report on T. H. D. A. work, represented by the wagon as a whole, and on Recreation, represented by the fourth wheel of the wagon, which should also be up with the times in order for the whole thing to run smoothly. Singing and more singing was stressed. The T. H.-D. A. Chairman was referred to as the oilcan of the whole works. If the wheels and running gear of the wagon are properly oiled, then the wagon runs smoothly, likewise if the T. H. D. A. Chairman of the County keeps the County Organization well informed, it can properly function as it should. It was also brought out that leaders do not come down from the clouds, but up from the crowds. Last, but not least, Mrs. Muston gave a report on the night recreation meetings.

This State Meeting was held in Mineral Wells and it was that County that put on "A Womanless Wedding" to entertain the 800 women guests for the first night there.

The second night, each of the 800 women who were attending the meeting, were asked to come to the party at Convention Hall dressed in masquerade. Imagine 800 women ghosts, etc., in one small town. A man at a filling station putting air in a tire, blew it out watching these women go by instead of noticing what he was doing. The Milam County women dressed as witches. At the party, the women played folk games, led by some of the visitors who were trained for that purpose the day before. Mrs. Muston was one of the group leaders.

One of the main speakers at the State Meeting was Rev. Homer Vanderpool of the Tyler Street Methodist Church, Dallas, who spoke on "Ahead of the Times," he is, according to Mrs. Muston, as well known for his clever jokes as well as being a good speaker. He told of having told the following joke on the Baptist so much that the Deacon got after him about it, so he has changed it to the Presbyterians.

"A good Christian woman had gotten after her husband about joining the church until he finally consented to join just to please her. When asked by the Minister if he were sincere, he says he is, and the congregation voted him into the church. That night, the wife decided she has led her husband into telling a falsehood, so she insists that he go back to the Minister and tell him the truth about it. Having done this, the congregation voted him out of the church. Before leaving the church, he asked if he might make a statement. Being granted this request, he stated that it was the funniest thing he had ever heard of, he goes in the church and tells a falsehood and he is voted into the church, then he comes back and tells the truth and he is voted out."

Mrs. L. L. Blaylock and daughters, Mrs. Sam McDermott, Jr. and Mrs. William J. Newton have returned from a visit to Texas City.

Margaret Nance, little daughter of Mr. and Mrs. Herbert Nance is ill and a patient at Newton Memorial Hospital.

Mr. and Mrs. Odous Tindall and son Jimmy, Darrell Tindall of San Antonio and Billy Cosby of Temple were week end guests of Mr. and Mrs. H. C. Tindall.

Committee Goes To San Saba About Milk Bowl Game

A committee headed by Joe Moore of Gause is in San Saba to-day to confer with athletic authorities there over the scheduled game here on December 16 between the Pee Wee teams of the San Saba and Gause schools.

Along is L. G. Smith, Manager of the Chamber of Commerce and E. C. Cole, member of the committee on arrangement.

The date of December 16 has been set and all plans are looking to that date. The benefits from the game will be given to the milk fund in each of the schools.

CELEBRATE 50th ANNIVERSARY

Mr. and Mrs. John House of Salem quietly celebrated their 50th Wedding Anniversary Saturday, November 19.

Mr. and Mrs. House were born and raised in the Salem Community and for a few years lived in Cameron before returning to that community. Their many friends in Cameron and Salem wish them many more years of happiness.

Mrs. August Baron is resting well at Newton Memorial Hospital where she is a patient.

Julius Stall of Burlington was in Cameron on business Wednesday of the past week.

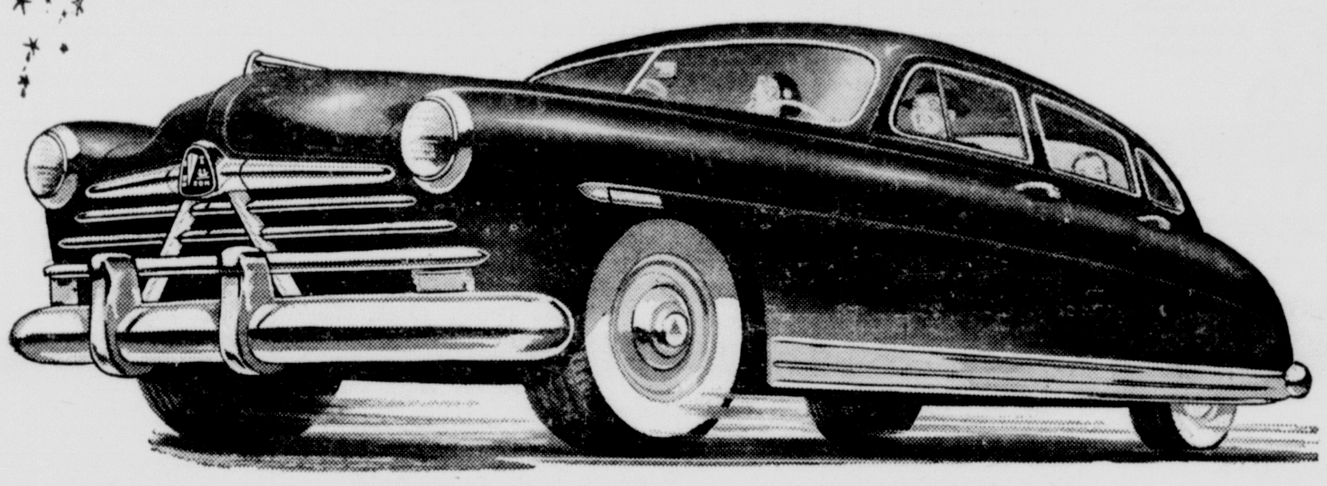
Hudson invades lower-price field
WITH FAMOUS "STEP-DOWN" DESIGN


ANNOUNCING THE NEW
Hudson Pacemaker
ON DISPLAY FOR THE FIRST TIME TODAY!

See this engineering triumph . . . a trim-size, new car with the sensational advantages of Hudson's years-ahead "step-down" design . . .

A streamlined beauty with a colorful new interior featuring gorgeous wool fabrics combined with plastic Dura-fab trim . . .

A neat-as-can-be automobile with more room than any other car at any price, except another Hudson; yet a car that costs you less to buy . . . less to drive!

HUDSON'S NEW PACEMAKER is here today! . . . On display today! . . .You can *see it today!*

For the first time in motor-car history, you can have compactness and lower price with big-car comfort and riding qualities. For here is an agile car with *more inside room than in any other car at any price*, except another Hudson.

It's a trim, tidy car with a lower center of gravity than any other make—and because of this you get a smoother road-hugging ride than is possible in even the costliest cars built the old-fashioned way.

Here, Hudson's "step-down" design gives you not only all the room, comfort, safety and amazing roadability, but also all the low-built beauty, the long, free-flowing lines that can come only with the "step-down" way of building motor cars. Every body line is *naturally* beautiful, even to the graceful *curves* of the Full-View windshield.

This is Hudson's new Pacemaker . . . *priced for millions of new-car buyers!*

You ride *securely*—in Hudson's single-unit, all-welded, all steel Monobilt body-and-frame*—*safely* within a box-section foundation frame that surrounds the passenger compartment, even outside the rear wheels—*relaxed* in the roomiest seats in any automobile.

This is Hudson's new Pacemaker . . . with the new higher-compression Pacemaker engine, the power-packed engine that test drivers call "the smoothest, sweetest we've ever driven!" . . . the rugged, long-lived engine with new carburetion and fuel intake that make it a lightning-like performer with surprisingly saving ways!

And this amazing car brings you Hudson's new Supermatic Drive (optional at extra cost)—the only automatic transmission that includes the fuel-saving advantages of overdrive and that shifts gears just as you want to shift, that doesn't creep at lights, that doesn't slip as you roll along.

There are more . . . many more . . . fresh, colorful and desirable features in this great new car . . . too many to mention here. Hadn't *you* better see it today?

*Trademark and patents pending.

Reporting Accidents Required By Traffic Laws; People Warned About Laxity Here

Jack Higginbotham, State Highway Patrolman in Cameron, has called attention to the law requiring reports on accidents. In this communication the law is quoted as follows:

Section 43, Uniform Act—Injury Accidents. Immediate reports of accidents—The driver of a vehicle involved in an accident resulting in injury to or death of any person shall immediately by the quickest means of communication give notice of such accident to the local police department if such accident occurs within a municipality, otherwise to the office of the county sheriff or the nearest office of the Texas Highway Patrol.

Section 44, Uniform Act—Property damage of twenty-five dollars or over. Written report of accidents.—(a) The driver of a vehicle involved in an accident resulting in injury to or death of any person or total property damage to an apparent extent of Twenty-five ($25.00) Dollars or more shall, within twenty-four (24) hours after such accident, forward a written report of such accident to the department.

Accidents, as referred to in the above statutes, mean any accident involving a motor vehicle which occurs upon a public road, regardless of whether it is a country road, a main highway, or a city street and also, whether it involves only one or more motor vehicle or a motor vehicle and pedestrian. Upon conviction for failure to comply with the above laws, the violator is subject to a fine of from one dollar to two hundred dollars and cost of court.

Mr. and Mrs. Frank Angell, Mrs. Albert Schlemmer, Monte Angell, Cecil Laywell and Miss Bobbie Schlemmer spent Sunday in Houston visiting Mr. and Mrs. Sam Cobb and their new baby. The baby was born Sunday, November 13 and weighed seven pounds. She has been named Rosalind Louise. Mrs. Cobb will be remembered in Cameron as the former Amy Schlemmer.

Does Your Fire Insurance Match Your Home Value?

Property values have gone 'way up, it's true. Does your fire insurance reflect this? Would the proceeds of your policy buy a replacement home and furnishings? Phone today for details on how to make your insurance correspond with home value.

NORTH AFRICA

Old Legends Playing Out

ALGIERS, Algeria.—North Africa is getting pretty tired of the old "thousand-and-one-nights" stuff. In fact, it's rather well played out in the territory.

For instance, there's hardly a harem left. Only a very rich pasha could afford one, and few can afford even more than one wife. And there aren't as many rich pashas these days as there used to be.

The blank walled, twisting streets of Arab cities still hide a private world of oriental charm, but the war, and the GI invasion left their marks.

The women are less tightly veiled than they used to be, at least in the bigger towns. Although most Moroccan women still show no more than one mascaraed eye and a henna tipped finger, Algeria has taken off the wraps. Advanced women in Algiers now wear dinky transparent veils, sometimes sewn with sequins. They use American nail varnish, carry smart Paris handbags and cram their feet into latest high heeled shoes. Some wear no veils at all.

Sun Glasses Popular

In the crowded markets, you can buy all kinds of relics of the war from a neat WAC uniform of summer tans to an old gray-green Italian uniform with a big "P.W." stamped across the back. Old post exchange supplies, from candy bars to shaving lotion, are on sale.

U.S. army type sun glasses are general wear for the smart set. Some women wear them over their veils, which gives a weird man from Mars effect.

Surplus jeeps and battered German army volkswagens help the transportation situation and khaki army tents ease the housing problem. Old army stocks of DDT are sprayed twice a year on the sprawling, teeming slums made of old gas cans, grocery boxes and corrugated iron on the outskirts of the cities.

Police evacuate everyone during the twice yearly spraying, but the Arabs can't get used to it. They just can't understand what all the fuss is about.

Furniture Modern

Odd pieces of modern furniture give a bizarre effect among the piled cushions and divans of wealthier homes. A radio or a sewing machine seems a definite sign of social standing.

Movies and American soft drinks are all the rage among the younger generation.

Most popular movies are those from Egypt. Most are romantic musicals and almost always feature a night club scene and a singer. The Arabs go to them again and again to hear the music. To the women of French north Africa, the unveiled Egyptian women of the movies represent the very height of elegance.

After the Egyptian musicals, Hollywood westerns are the most popular. Lavish oriental productions such as "Ali Baba" and "The Thief of Bagdad" still draw big crowds, but few Arabs understand French.

Thieves Waste Efforts Stealing Vault Mechanism

FOND DU LAC, Wis.—A thief and his two accomplices stole a cash box from a parked railway express agency truck here, but instead of money, the box contained only a bank vault mechanism valued at $1,000.

According to police the theft occurred while the driver of the truck was delivering a package to a sporting goods store.

The thief jumped into the truck, lifted the heavy cash box onto a hand car and wheeled it down an alley where two companions waited. The trio sped away in a late model green sedan after the driver of another express truck stopped to question them about the hand cart which belonged to the express company.

The driver said that the men told him they were employees of the company but fled when he asked for identification.

Police and sheriff's deputies set up road blocks and broadcast a state-wide alarm.

Police Chief James Cahill said that the cash box usually contained cash and jewelry consigned to the First Fond du Lac national bank. The thieves apparently had planned the theft for several days, watching the movements of the truck and driver, Cahill said.

The driver described the men as 25 or 30 years old and wearing black caps and visors.

Radio-Directed Cabbies Nab 'Revenge' Robber

CHICAGO, Ill.—A horde of radio-directed taxicabs wrote failure to William Hamilton's "revenge robbery." Hamilton, 25, was fired from his job as restaurant counterman. The owner, John Franklin, said Hamilton returned and robbed him of $90.

Police said Hamilton sprinted out of the restaurant and hailed a passing cab. Another cabby who had seen the holdup gave chase, informing his office on his two-way radio.

Thirty other cab drivers joined in pursuit and Hamilton's cab was curbed two miles away.

BOB OSBURN FUNERAL RITES HERE THURSDAY

Bob Osburn, 72, resident of Cameron for more than a half century, died at 4:05 p. m. Wednesday, November 16 at his residence on West 4th Street.

Mr. Osburn was born in Fayette county on September 15, 1877 but came with the family to Cameron when a young man. He had been an invalid all his life, managed to get about on crutches. Death was due to natural causes, it was said.

Funeral services for Mr. Osburn were held from the chapel of the Marek-Burns Funeral Home in Cameron at 3 p. m. Thursday, November 17 by Rev. Percy A. Corkern, pastor First Baptist church. Interment was made in Oak Hill Cemetery.

Surviving are one brother and two sisters as follows: Will Osburn, of Cameron; Mrs. Ella Burkett of Lamesa, Texas and Mrs. Fannie Smith of Houston.

CARD OF THANKS

I want to express my deep appreciation to my friends for their loving kindness shown me during my recent sorrow. Your kind expressions of sympathy are greatly appreciated.

Giles Jordan Goes To Texas Prison

Giles Jordan, Gause white man, was taken to Texas prison Wednesday by Sheriff Carl C. Black.

Jordan was given 5 years in the penitentiary for the murder of Ferrias Ferguson, Gause negro, shot to death on July 18 this year.

Jordan entered a plea of guilty before the court as the last juryman was selected Tuesday. He was sentenced to 5 years when the verdict had been agreed upon between the attorneys from Jordan and the state's attorney.

It was said here Thursday that Jordan had taken his sentence calmly and seemed resigned to whatever time he will have to serve to pay for killing the negro.

Mrs. Ross Posey visited her sister Mrs. Charlie Posey Saturday at Thrall.

Lawrence Janicek of Rosebud, Rt. 3 was a welcome visitor in Cameron last week.

Mr. and Mrs. H. H. Hicks from Beaumont spent the past week end visiting in the home of her parents, Mr. and Mrs. John Mraz, Sr. in Cameron.

New Ford Convertible Cars Now On Display; Smart New Models

The smart new 1950 Ford convertibles now on display in dealers' showrooms offer a choice of 11 new exterior paint colors including four metallic finishes.

Two of the new colors are exclusive in the convertible line. They are Sportsman green—a beautiful chartreuse which comes with a chartreuse and black leather trim or a combination of black leather and Bedford cord, and Matador red metallic—a medium red color trimmed with black and red leather or with the Bedford cord combination.

In addition to the new colors, the 1950 Ford convertibles feature an improved top mechanism, a non-sag front seat spring, new sponge rubber front seat cushion which provides added comfort and a longer, improved regulator handle permitting the raising and lowering of the quarter windows with greater ease.

An inclined foot rest under the front seat adds to the comfort of rear seat passengers. There is also improved heating due to the larger passage for air from the heater.

Other colors in the 1949 Ford convertible line are: Dover (light) gray; Palisade (light) green; Hawthorne (dark) green metallic; Osage (grayish) green metallic; Sheridan (dark) blue; Cambridge maroon metallic, black and Sunland beige.

Like all the 1950 Fords, the new convertibles are powered with the new, improved V-8 and 6-cylinder engines which are notable for their smoother flow of power and quieter operation. Additional insulation and sound deadener in doors, panels and floor add to the silent operation of the new convertibles.

Christmas Card Mail Should Be First Class Says Postmaster; Other Instructions

Don't try to mail your Christmas cards this year with 1½c stamps, Postmaster John R. Hays warned today!

By way of explanation he pointed out that the postage rate on unsealed greeting cards, which traveled by third class mail, was raised to 2c last January.

So don't try to mail this year's Yule greetings with 1½c stamps left over from last Christmas, he cautioned. All sorts of embarrassing things may happen.

Your mail carrier may return the cards to you stamped, "Insufficient Postage."

Or they may be held until the addressee supplies the additional postage required by the new law before the mysterious envelope—which turns out to be your "Merry Christmas" wish—may be delivered to him.

Or your cards may be shunted into the Dead Letter Office, if they're deposited at the peak of the Christmas mailing rush and they bear no return address.

To preserve your cheery Christmas cards from these indignities, the Postmaster recommends sending them all by first class mail. That means with a 3c stamp—or two 1½c stamps!

First class mail rates "directory service," by which skilled post office clerks try to trace down addresses who have moved. Your card may be forwarded from one address to another. If the addressee isn't located, the card will come back to you if the envelope bears your return address.

Christmas cards carrying 2c stamps are third class mail. They must not be sealed and must not contain personal messages. Only one effort is made to deliver them. If the address proves incomplete or incorrect, your warm-hearted Christmas greetings land in the Dead Letter Office.

"One of the saddest sights on Christmas Eve," says the Postmaster, "are the many undeliverable Christmas cards. Each represents a bit of lost Yuletide sentiment. Practically all are the result of carelessness. Especially, illegible handwriting, inadequate addresses, and stamps that fall off enroute because they weren't affixed properly.

"Please address plainly and completely," he emphasizes. "Give the full name, house number, street, name of city, zone number, and State. Many emergency clerks and carriers are required to handle the heavy Christmas load, and they haven't time or experience to figure out scrawled addresses that would puzzle a bill collector."

And don't forget to write your return address on the envelope. The Postmaster said return addresses on Christmas cards has the warm approval of the highest authorities on etiquette, because it helps friends keep their address books up-to-date.

Cards receive more considerate handling if they're mailed before the peak Christmas rush, the Postmaster pointed out. Greetings for out-of-State delivery should be posted by December 15, and for local delivery at least a week before Christmas.

ROBERT F PAIRETT DIED IN ROCKDALE

Robert Franklin Pairett, 73, died at his home in Rockdale, November 18, from a heart attack suffered while he worked in his garden near his home.

Mr. Pairett was born January 25, 1876 in Tennessee. For many years he had lived in the Val Verde Community.

Funeral services were conducted by Rev. Bush, at the Phillips & Luckey Funeral Home in Rockdale, November 18, at 1:30 p. m. Burial was made in the Val Verde cemetery with Marek-Burns Funeral Home, Cameron directing the arrangements.

His survivors include his widow, three sons: W. A. Pairett, Yucca, Arizona, D. L. Pairett, Rogers, C. M. Pairett, San Antonio and three daughters: Mrs. Bertha Underwood of Pasadena, Mrs. Oscar Cook, Von Ormy, Texas and Miss Beatrice Pairett of Rockdale. He is also survived by three brothers: C. M. Pairett of Bartlett, Luther Pairett of Alice and Amos Pairett of Granger, one sister, Mrs. Eula Thomas of Bartlett and ten grand children and one great grand child.

Mrs. J. R. Harris of Waco who has been ill and confined to St. Edwards Hospital is somewhat improved and is able to be removed to the home of here parents, Mr. and Mrs. H. C. Tindall where she is convalescing. Before leaving the hospital she was showered with gifts presented by members of her Sunday school class

New Hudson In Low Price Class Now Being Shown Here

Hudson has a new car.

It is a new car for the low priced field.

The new Hudson is on display in the show rooms of Horstmann Brothers Tire Store and has attracted wide attention.

The new Hudson to compete in the low price field is said to be a departure in that class of automotive construction because it retains all the roomy features of the big Hudson 6 and 8 cylinder cars.

In the new car are retained and improved all the durable time tested hardiness and lasting qualities of the Hudson motor car, first to build a six cylinder in automobile history.

Mr. and Mrs. T. B. Spell of Beaumont visited friends and relatives in Cameron the past week.

Mrs. Jimmy Mathis and family of Marlow attended morning services at the Church of Christ in Temple Sunday.

PRESIDENT DENOUNCES ARREST OF CONSUL

WASHINGTON, Nov. 17—President Truman today denounced as outrageous the imprisonment of American Consul General Angus Ward by the Chinese Communists at Mukden.

The Chief executive made his terse angry comment at a news conference after he had spent 70 minutes this morning reviewing with Secretary of State Acheson the State Department's developing stop-Communism program for the Far East.

Out of that meeting, to which Acheson took all his top Far Eastern policy makers, came an announcement of two moves in the immediate future. The announcement, which Mr. Truman later declined to expand, disclosed:

That Ambassador Philip C. Jessup, Acheson's trouble-shooting diplomatic ace, will make an on-the-spot survey of conditions in the Far East. He will leave the United States in late December, begin his work in Tokyo, and return home by way of India and Pakistan.

That top United States diplomats from all over the Far East will gather at Bangkok, Thailand (Siam), in late January for a major policy conference. Jessup will attend.

Efforts of reporters to obtain from the President additional information on today's meeting were futile. The President said the announcement covered the subject.

But when he was asked what he thought about the imprisonment of Angus Ward, he summed up his view in five sharp words: He thinks it's an outrage.

What this country might do about it he did not say.

Ward and four staff members of the Mukden consulate were jailed Oct. 24 on charges of having beaten a Chinese employe.

"Liberty" War Colt Now 6 Years Old; Is Fine Saddle Horse

Remember "Liberty" the brown colt surprise foal of the old grey mare who drew the ice wagon on the streets of Cameron?

Well, you should see "Liberty" now. He's 6 years old and one of the best looking horses in the county. He is owned by Giles McDermott.

The old grey mare was owned by the late Grady Little. She drew the ice wagon along the blistering streets and no one knew that her secret was to be a healthy brown colt, until one morning they found the little fellow gamboling about the lot.

At the time The Daily Midget called for a name and out of a large number suggested "Liberty" was selected. War was on then and folks were thinking patriotically.

The other day Lyle McDermott rode "Liberty" down to this newspaper plant so the publisher could get a look at the colt.

He is a beautiful animal, good saddle horse and has had the kind of care to make good horses. Mr. McDermott bought the mare and the colt, took them to his farm and there "Liberty" grew up. He shows quarter breeding and the Joe Reed strain but runs a little to the heavy horse because his dam was part Percheron.

Mrs. Dan Lunsford and Mrs. Walter Mullinix shopped in Waco Thursday of the past week.

Ed Black is among the patients ill in St. Edwards Hospital. His many friends wish him a speedy victory.

Mrs. James Cryer is ill and in St. Edwards Hospital for treatment.

Mrs. Jimmy Raney has returned to her home in Houston after visiting her parents, Mr. and Mrs. Alfred Price the past week.

Mr. and Mrs. Robert Key of Galveston spent several days in Cameron this week attending business.

ARMY BOMBER TRAFFIC TOLL CREATES ALARM

WASHINGTON, Nov. 18—The Air Force Friday grounded all B-29s which have not undergone engine "modernization." Also ordered out of air were Superfortresses that have encountered heavy going that strained them.

The order comes after a series of disastrous crashes.

There was no estimate of the number of planes involved.

The temporary grounding order will be effective until all planes involved have been inspected.

Gen. Hoyt Vanderberg, Air Force chief of staff, sent messages to all Air Force commands after conferring with Lt. Gen. Curtis E. LeMay, head of the Strategic Air Command.

Besides the planes which have not had power plants "modernized" the grounded B-29s are those which have been subjected to "maximum stress."

At the same time, General Vanderberg ordered the engine modernization program speeded up "as another step to keep accidents to the minimum."

An exception was made for planes participating in the search for a superfortress missing off Bermuda since Wednesday. All other B-29s covered by the directive were ordered grounded at their home stations.

The Air Force now operates 10 B-29 groups. A group normally consists of 30 planes. However, for security reasons, the Air Force declined to say how many of the planes have not undergone the engine modernization or been subjected to heavy stresses.

The last Superfortess was built only a few months after the end of the war. However, a large number were stored unused. A total of about 4,500 B-29s were built of which approximately 500 are in the operating fleet now.

Richard Jones of Cameron was among the 21 students at Southwest Texas State College who attended the Baptist Student Union Conference in Dallas, November 4-5 and 6th.

Mrs. Conrad Jekel, Jr. and little son, Dwight Alan have returned to their homes after being in Newton Memorial Hospital.

From where I sit ... *by* Joe Marsh

Watch Out For The Symptoms!

Laughed out loud when I heard Hoot Davis was down with Chicken Pox. A man of forty-five catching a kid's disease!

So I went to see him, armed with jokes about "second childhood" but forgot them fast when I got there. Hoot looked terrible and had quite a fever.

While we talked, I come to think of how Chicken Pox is a lot like other "diseases"—diseases of the character, such as intolerance, self-righteousness or just plain ignorance. They're excusable in children, but when they come out in adults they're ten times as bad—and can be mighty "contagious."

From where I sit, we should all watch out for the "symptoms"—little things like criticising a person's preference for a friendly glass of temperate beer or ale. We've seen personal freedom wither away in other countries, when individual intolerance was allowed to get out of hand and become a nation-wide epidemic.

Joe Marsh

Get our Buick care and relax!

Now is the time to get ready—for getting the most fun, the most *use* out of your Buick in the months ahead.

Quick-trigger starts, that is. A lively, quiet motor—a chassis that rides you in lazy comfort, without squeaks.

And remember that with the days getting shorter you'll want your lights bright and "on the beam." Roads will be wetter—so be sure your tires have good safe treads, and your brakes are adjusted for smooth gentle stopping.

Skilled in the special care of Buicks as we are, knowing your Buick and the factory-engineered methods of keeping it always at its best, we can give you all this surely and inexpensively.

Drive in *this week*. Time's coming when we'll be crowded with rush orders—and it's easier to give you the best service in a hurry when our schedule is open. Just tell us you want our quick but thoroughgoing checkup on all the points listed below. Leave your Buick in our hands, and our special brand of Buick care will relieve you of any car-worries in the coming winter months!

3-way preparedness checkup NOW

ENGINE
Adjust valve tappet clearance
Clean and re-oil air cleaner
Check oil filter element
Adjust carburetor for best economy
Tighten cylinder head
Drain, flush cooling system
Inspect all hoses, tighten joints
Determine antifreeze requirements

IGNITION-ELECTRICAL
Clean, adjust distributor points
Time ignition for peak performance
Clean and reset spark plugs
Check battery—refill—clean off corrosion, coat terminals
Check generator brushes, charging rate
Check headlight alignment and brightness

BODY – CHASSIS
Fill steering gear housing with lubricant
Inspect and pack front wheel bearings
Inspect front brakes
Check car heater for winter use
Check steering alignment
Bumper-to-bumper LUBRICARE, including trouble-preventing inspection

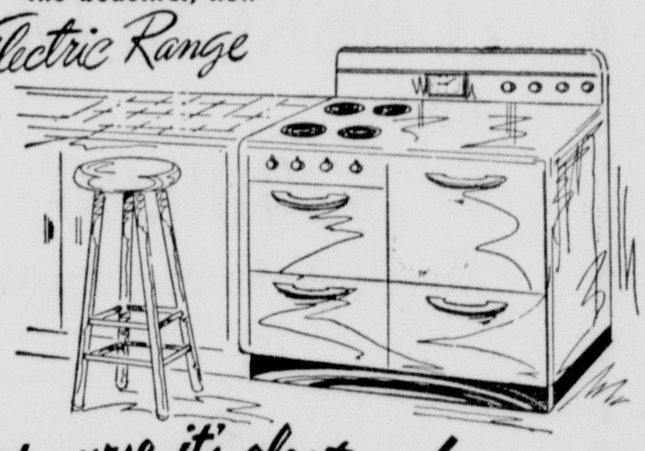
the beautiful, new
Electric Range



Of course, it's electric!

This could be you! Picture yourself ... poised and lovely, completely ready for that last minute, important guest your husband will bring home to dinner! No more of that old-fashioned slavery over hot ovens ... no more guess work. Accurate temperature controls *automatically* assure you of delicious results. Yes, your efficient electric range, a thing of beauty in itself, will bring rare beauty to your table that will long be cherished in *his* memory, and in the memory of that important guest ... and of all important guests in the future!
